# IKEA FURNITURE

In four simple steps at your doorsteps...

## 1 Select your items online at IKEA

Visit the website of [IKEA Delft](#). Simply browse and select the products from the available selection. The prices mentioned on the webshop are included VAT. You do not have to pay VAT, those will be deducted from the final invoice.

## 2 Create an online shopping list

Select all items you like to order and place them on your shopping list. Remark: Do not place the order, we will do this for you.

## 3 Save shopping list as PDF

After you placed all items on your shopping list, you can click on the shopping list icon. Here you can double-check your list. Once the list is complete, you can create a PDF file (key combination Ctrl-P).

## 4 Request quotation

With your shopping list, you can request for a quote. Email your PDF file to [info@blueseaforwarding.nl](mailto:info@blueseaforwarding.nl). As soon as we have received your request we will prepare a custom-made quotation for you.

This quotation includes:

- All selected items from your shopping list, excl. VAT
- Handling at our warehouse
- Customs formalities in The Netherlands and the country at destination
- Transport by seafreight to destination country
- Delivery and placing the furniture at the unloading address (ground floor)

After Blue Sea Forwarding has received your approval on the quote we will start your order.
